Asim Munir, dictates the fate of the entire country

Asim Munir's lust for power runs so deep

USPA NEWS - There is no rule of the Constitution or the law in our country at this time. Instead, it is under the rule of 'Asim Law'. Asim Munir stands as one of the most tyrannical rulers in history, presiding over an era of oppression unlike any before it. His tenure has been marked by an appalling disregard for human rights; even that of the women, children, and the elderly. Asim Munir's lust for power runs so deep that he's willing to do whatever it takes to hold on to it.

At this time, the orders of one man, Asim Munir, dictates the fate of the entire country, as a result of which morality has been completely buried. Never before have there been mass killings of ordinary citizens. The incidents of May 9th (2023), November 26th (2024), Azad Kashmir, and Muridke stand as the worst examples of the ruthless abuse of power. The way unarmed citizens were fired upon is unimaginable in any civilized society.

The atrocities committed against women during Asim Munir's tenure are also unprecedented. Dr. Yasmin Rashid, an elderly cancer survivor, has been imprisoned merely for refusing to abandon Pakistan Tehreek-e-Insaf. Bushra Begum too has been kept in solitary confinement solely to exert pressure on me. What kind of law is this, where those who renounce PTI are granted amnesty, while those who remain loyal to my ideology face relentless persecution ....?

We prefer death to slavery.

Asim Munir is inflicting every form of cruelty upon me and my wife. No political leader's family has ever been subjected to such treatment. I wish to make it absolutely clear once again: no matter what they do, I will neither bow down nor submit to them.

My message to the nation is this: when a people embrace the clear and fearless principle of 'freedom or death', no power on earth can stop them from achieving true freedom and progress. Only such principled nations ultimately prevail with honour.

I also wish to make it clear that Pakistan Tehreek-e-Insaf will hold no talks either with the Form-47 government or with the Establishment. There is no point in negotiating with a puppet government whose prime minister operates under a policy of 'I will let you know after asking'. Negotiations are futile also because every time we have engaged in dialogue, the oppression against us has only intensified. All power rests in the hands of one man at this time: Asim Munir, who can go to any extent to extend his hold on power. Decisions regarding any negotiations will be made by our allies in the Tehreek Tahafuz-e-Aain Pakistan: Mehmood Khan Achakzai and Allama Raja Nasir Abbas.

I call on all PTI office-bearers, parliamentarians, Insaf Lawyers Forum members, and senior lawyers to go before the High Courts and refuse to leave until hearing dates are fixed. The cases of both myself and Bushra Begum are being intentionally prolonged, with no hearings scheduled, to keep us unjustly confined. Everyone knows there is no substance in these cases and that they will eventually collapse; therefore, hearings are intentionally being withheld.

I have complete trust in Salman Akram Raja. All party-related instructions and meeting lists will be communicated through him. It is Salman Akram Raja's responsibility to ensure that every directive is duly implemented."
